

Extendicare Tuxedo Villa

At Extendicare Tuxedo Villa, we understand that each resident's quality of life depends on an approach to care that combines input from residents and family members with individual assessments from a team of trained caregivers. This approach ensures that support and care is tailored to meet the needs of each unique individual.

Our staff includes registered nurses; licensed practical nurses; certified healthcare aides; rehabilitation aides; medical advisors; and consultant dietitians to help, support and care for our residents. All of our healthcare staff are supported by an experienced administrative team.

Our facility is warm, contemporary, personal and pleasant. Tuxedo Villa has 41 private rooms, and 86 semi-private rooms. It's small enough to be intimate but large enough to provide a range of programs and services. Residents are encouraged to bring additional items such as items of furniture and knickknacks to personalize their rooms. A home environment needs to be safe to feel secure, so at Extendicare Tuxedo Villa there are call bells at each bed, in each washroom, and in all tub rooms. Our building is also completely equipped with heat and smoke detectors, and a two-stage fire alarm system with pull stations. Our facility includes:

- a library
- a salon
- an activity room
- a TV room
- three dining rooms, and
- spacious, landscaped courtyards for fresh air in a secure environment

Our programs and services include:

- comprehensive, restorative exercise programs
- a vigorous recreation program
- regular outings to points of interest, and
- movies

Exceptional Quality

Extendicare Tuxedo Villa is independently accredited by the Canadian Council on Health Services Accreditation. We voluntarily participate in this accreditation process, and make our results publicly available to send a clear message that we strongly believe in our ability to deliver excellent care in quality facilities.

For more information regarding admission and placement, please contact the Winnipeg Regional Health Authority at (204) 926-7000.
