

Extendicare Hamilton

At Extendicare Hamilton, we understand that each resident's quality of life depends on an approach to care that combines input from residents and family members with individual assessments from a team of trained caregivers. This approach ensures that support and care is tailored to meet the needs of each unique individual.

Our staff includes registered nurses; registered practical nurses; a physiotherapist; physiotherapy aides; healthcare aides; an occupational therapist; a speech language pathologist; and activationists to help, support and care for our residents. An experienced administrative team supports all of our healthcare staff.

160 residents call Extendicare Hamilton home, living in a mix of preferred private accommodation rooms and standard accommodation rooms. Our home is warm, open, personal and pleasant. It's small enough to be intimate but large enough to provide a range of programs and services. Residents are encouraged to bring additional items such as bedspreads, pictures or knickknacks to personalize their rooms.

A home environment needs to be safe to feel secure, so at Extendicare Hamilton there are call bells at each bed, in each washroom, and in all tub rooms. Our building is also completely equipped with heat and smoke detectors, a wander guard system, and a two-stage fire alarm system with pull stations.

Our home includes:

- six resident home areas, each serving 26 or 28 residents; one “secure” home area
- an interfaith chapel
- a bright and spacious beauty salon
- a celebration dining room for private resident and family functions
- a country kitchen designed for informal resident dining and home baking, and
- a secure second-floor balcony overlooking the grounds

Our programs and services include:

- comprehensive and restorative exercise programs
- outings to points of interest
- activities such as movies, crafts, baking, sewing, woodworking
- multi-denominational church services, and
- many more recreational and therapeutic programs

Exceptional Quality

Extendicare Hamilton supports accreditation by the Canadian Council on Health Services Accreditation. We voluntarily participate in this accreditation process, and make our results publicly available to send a clear message that we strongly believe in our ability to deliver excellent care in quality facilities.

For more information regarding admission and placement, please contact the Hamilton-Wentworth Community Care Access Centre at (905)523-8600.
