

## Extendicare Mississauga

At Extendicare Mississauga, resident quality of life is our top priority. Our care combines input from residents and family members with individual assessments from a team of trained caregivers. This approach ensures that support and care is tailored to meet the needs of each unique individual.

Our team includes physicians, registered nurses, registered practical nurses, healthcare aides and activationists to help, support and care for our residents. An experienced administrative team supports all of our healthcare staff.

One hundred and forty residents call Extendicare Mississauga home, living in a mix of preferred private accommodation rooms and standard accommodation rooms. Our home is warm, open, personal and pleasant. It's small enough to be intimate but large enough to provide a range of programs and services. Residents are encouraged to bring additional items such as bedspreads, pictures or furniture to personalize their rooms.

A home environment needs to be safe to feel secure, so at Extendicare Mississauga there are call bells at each bed, in each washroom, and in all bathing rooms. Our building is completely equipped with heat and smoke detectors, a sprinkler system, wander guard system and a two-stage fire alarm system with pull stations.

Our home includes:

- six resident home areas, each serving 22 or 26 residents
- a bright and spacious beauty salon/barbershop
- a celebration dining room for private resident and family functions
- a country kitchen designed for informal resident dining and home baking
- three secure courtyards
- a secure second-floor balcony overlooking the grounds, and
- direct access to Mississauga transit on both the Derry and Mavis bus routes

Our programs and services include:

- comprehensive and restorative exercise programs
- regular outings to points of interest
- activities such as movies, baking and crafts
- multi-denominational religious services
- a variety of recreational and therapeutic programs, and
- computer games and internet access

## Exceptional Quality

Extendicare Mississauga supports the accreditation process. We voluntarily participate in the accreditation process, and will make our results publicly available to send a clear message that we strongly believe in our ability to deliver excellent care in a quality home.
