

Extendicare Scarborough

At Extendicare Scarborough, we understand that each resident's quality of life depends on an approach to care that combines input from residents and family members with individual assessments from a team of trained caregivers. This approach ensures that support and care is tailored to meet the needs of each unique individual.

Our staff includes registered nurses, registered practical nurses, healthcare aides, personal support workers, social workers, a dietitian, a physiotherapist and assistant, restorative care aides, housekeeping and laundry aides, and activationists to help, support and care for our residents. An experienced administrative team supports all of our healthcare staff.

Our home is warm, open, personal and pleasant. Extendicare Scarborough has two private rooms, 70 semi-private rooms and two standard accommodation rooms. It's small enough to be intimate but large enough to provide a range of programs and services. Residents are encouraged to bring additional items such as bedspreads, pictures or knickknacks to personalize their rooms. We specialize in accommodating married couples and we provide a home-like atmosphere in a smoke-free environment.

A home environment needs to be safe to feel secure, so at Extendicare Scarborough there are call bells at each bed, in each washroom, and in all tub rooms. Our building is completely equipped with heat and smoke detectors, a sprinkler system and a two-stage fire alarm system with pull stations. A Wanderguard system provides added security.

Our home includes:

- individually controlled heating and air conditioning system in all rooms
- a newly renovated dining room
- a bright and spacious beauty salon
- an activity room
- a TV room, and
- a quaint, secured backyard patio that includes a walking path and gardens

Our programs and services include:

- comprehensive and restorative exercise programs
- full time physiotherapist and assistant
- spiritual and religious services, and
- regular outings to points of interest

Exceptional Quality

Extendicare Scarborough is accredited by the Canadian Council on Health Services Accreditation. We voluntarily participate in this accreditation process, and make our results publicly available to send a clear message that we strongly believe in our ability to deliver excellent care in quality facilities. We put “caring” into care.
