

Extendicare Tri Town

At Extendicare Tri Town, we understand that each resident's quality of life depends on an approach to care that combines input from residents and family members with individual assessments from a team of trained caregivers. This approach ensures that support and care is tailored to meet the needs of each unique individual.

Our staff includes registered nurses; registered practical nurses; healthcare aides; restorative care aides; housekeeping and laundry aides; and activationists to help, support and care for our residents. An experienced administrative team supports all of our healthcare staff.

Our home is warm, open, personal and pleasant. Extendicare Tri Town has four private rooms, 24 semi-private rooms and two standard accommodation rooms. It's small enough to be intimate but large enough to provide a range of programs and services. Residents are encouraged to bring additional items such as bedspreads, pictures or knickknacks to personalize their rooms.

A home environment needs to be safe to feel secure, so at Extendicare Tri Town there are call bells at each bed, in each washroom, and in all tub rooms. Our building is also completely equipped with heat and smoke detectors, and a two-stage fire alarm system with pull stations.

Our home includes:

- a library
- a bright and spacious beauty salon
- an activity room
- a TV room, and
- great views of Lake Timiskaming

Our programs and services include:

- comprehensive and restorative exercise programs
- regular outings to points of interest, and
- movies
