

## Extencicare Laurier Manor

At Extencicare Laurier Manor, we understand that each resident's quality of life depends on an approach to care that combines input from residents and family members with individual assessments from a team of trained caregivers. This approach ensures that support and care is tailored to meet the needs of each unique individual.

Our staff includes registered nurses; registered practical nurses; healthcare aides; personal support workers certified activity aides; a social worker, and a dietitian to help, support and care for our residents. All of our healthcare staff are supported by an experienced administrative team.

We offer a spacious, well-established facility with a traditional atmosphere. Laurier Manor has private, semi-private, and standard rooms. It's small enough to be intimate but large enough to provide a range of programs and services. Residents are encouraged to bring additional items such as bedspreads, pictures or knickknacks to personalize their rooms. A home environment needs to be safe to feel secure, so at Laurier Manor there are call bells at each bed, in each washroom, and in all tub rooms. Our building is also completely equipped with heat and smoke detectors, and a two-stage fire alarm system with pull stations.

Our facility includes:

- a library area
- a salon
- an activity room
- a TV lounge
- four dining rooms

- an expansive garden area, and
- enclosed balconies with exceptional views of the Ottawa area

Our programs and services include:

- restorative exercise programs using our state-of-the-art therapy equipment
- regular outings to points of interest
- bingo
- gourmet dining club, and
- our "Snoezelen" room – relaxation at its best
